FILE HEADING.

Application of the term "Hospital or Dispensary" in art: 197. M.S.R.

From

The State Geologist in Mysore

No. 1165 Dated 20-12-13 Received 21-12-13

Diary No. 2392.	Enclos.	Spare Copies.	Serial No. 1.

BRIEF ABSTRACT OF LETTER.

records copy of letter No. 2558 dt: 21-10-1913. from the Compholler, restricting application of the term "Hospital or Dispensary" in art: 197. M.S.R. Mysore Govt Hospital or Dispensary" and Suggests that the applica of the term may be extended so as to include Hospital or Dispen- conducted on approved British methods and of qualified diplomaed medical officers.

NOTES AND ORDERS.

A peon in the office of the State Geologist was, it is reported, under treatment in the St Martha's Hospital. Bangalore. The Compholler stated that the Hospital referred to in art: 197. M.S.R. is a Mysore Govt Hospital. and the peon has

Serial No.

has in consequence foregone his claim to ~~[illegible]~~ leave all-ees under the said art for the period he ~~[illegible]~~ was ill in the St Martha's Hospital. The State Geologist Suggests

(1) that the term "Hospital or dispensary" in art: 197. M.S.R. may be made to include any Hospital or dispensary conducted on approved British methods and in charge of qualified and diplomaed medical officers.

and (2) that the benefit of the above Suggestion if approved, be extended to the case of the peon in question as a special case.

2). Art: 197. M.S.R. prescribes that the hospital or dispensary should be of the station at which he serves. This does not mean that the Hospital should be a Mysore Govt one. It may be a private hospital as well. The only requirement is that it should be where the peon serves. The intention seems to be not to insist so much upon the point if the hospital is a Govt one or not as upon the point whether

whether it is situated or not within the station where he serves. For this purpose, C & M. Station may perhaps be treated as one with the city and the benefit of art. 197, extended to the area.

Secy.

DMR. 30 SW 24/1 — 3) I think Dr. Medlicott's contention is reasonable. So long as the Hospital concerned is situated at the place where the patient serves, & is owned or approved & inspected by the Govt. it should be treated as a Hospital within the meaning of Art (4) R.R. The Hospital or Dispensary need not be certainly less a part of the Govt. Hospital but where there is a Govt. Hospital that should be preferred. The compounder is not to be

leave to friends and friends. The hospital or dispensary should be one recognized as such for the purpose of the rule, and in the absence of an express provision or special orders of government, the audit office can recognize only a government hospital or dispensary. In the case of Police officers granted hospital leave under art 198 M.S.R the illness has to be certified not-whose been caused by irregular or intemperate habits and we can accept only certificates granted by a government Medical officer. In the case of leave granted on medical certificate, the certificate has to be signed or countersigned by a government officer except in special case referred to in art 462.

cf
4.2.14

1) For purposes of medical certificate for leave, persons of first medical officer alone can be recognized. But for the special purposes of art 197 some ~~recognized~~ specified hospitals & dispensaries in the larger cities which are not first institutions also be included in the lists. any change is considered ~~be recognized~~. If necessary the Senior Surgeon should be consulted and the list given by him included in a note to art 197 M.S.R.

I do not think that any general orders are called for in this case.

If the payment of a small amount - not exceeding the amount of the leave allowances to which the deceased peon was entitled - is recommended by the Geological Secretary, the same may be sanctioned as a special case. For this purpose, it may be assumed that the deceased was under treatment in a Government Hospital.

SERIAL No. 6

FROM

DR. W. F. SMEETH, M.A., D.Sc., A.R.S.M., etc.,
State Geologist in Mysore.

To

J.S. Chakravarti, Esquire, M.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Financial Department,
BANGALORE.

SIR,

In forwarding herewith for the information of Government, a copy of letter No. 2558, dated the 21st October 1913, from the Comptroller in Mysore, restricting the application of the term "Hospital or Dispensary" in article 197 of the Mysore Service Regulations to a "Mysore Government Hospital or Dispensary", I have the honour to suggest that, if the Government are also of the same opinion as the Comptroller, the application of the term under reference be extended so as to include any Hospital of Dispensary conducted on approved British methods and in charge of qualified and diplomaed Medical Officers.

2. In stations where there are several approved Hospitals

GPB 339-28-3-13

2)

Hospitals and Dispensaries and especially in a large City like Bangalore where several Mysore Government Officials reside in the Civil and Military Station, there seems to be no object in insisting upon patients resorting to Government Hospitals which may be a long way off from the patients' place of residence.

3. This reference is based upon a very recent case in my office where one of the peons who was ill and died subsequently has had to forego his claim for leave allowances on medical certificate, simply because he was under treatment in the St. Martha's Hospital very near his house instead of a Government Hospital far off.

4. It would be a great help to the family of the deceased if the benefit of the new order now sought for be extended to his case specially.

I have the honour to be,

Sir,

Your most obedient servant,

W. F. Smeeth

State Geologist in Mysore.

K.T.G.
